DISPLAY CART

Take your video conferencing display or digital signage set-up on the go with this strong adjustable-height cart. Supports displays up to 70 lbs. and moves them easily on large 5" locking casters. Add a locking cabinet for secure storage!

PRODUCT SPECIFICATIONS

Legs: Legs are made of extruded aluminum with integrated cable management.

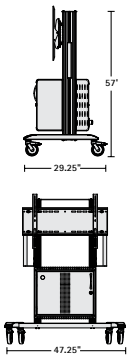
Casters: Comes with 5" heavy-duty single-wheel rubber casters.

Warranty: Lifetime Warranty against manufacturing defects.

Make the most of your large display by rolling it where you need it.

DISPLAY CART

DC02SM/BK5 shown above. Display not included.



Shown with optional Cabinet.

- Take large displays on the go! Available with or without locking cabinet.
- Position display at any height on the 56-1/2" high cart. Monitor Mount is centered on the display.
- Supports any style of display; compatible with VESA standards 200x100, 200x200, 200x300, 300x300, 400x300, 400x400, 600x400, 800x200, and 800x400.
- Tilt display from 5° up to 15° down for the best angle.
- Cable management routes cords and cables through the cart legs so they're protected and out of the way.
- Tooled connections keep the display securely attached to the cart. For added security, add a padlock!
- Welded steel base and large 5" casters make the cart stable and easy to move from place to place.
- Large 13.75" long handles, one left and one right, attach at any height and come with padded grips.
- Optional ventilated cabinet measures 24"w x 20.5"d x 20"h and comes with a keyed lock, base shelf, and upper shelf. Cabinet installs at any height on the legs.
- The monitor mount supports displays up to 70 lbs. The cart supports up to 400 lbs. overall.
- Lifetime Warranty against manufacturing defects.
- Cart with cabinet ships in 2 boxes; cart without cabinet ships in 2 boxes.
- Available in Silver Metallic (SM) metal with Black (BK) laminate.

PRODUCT	Height	Width	Depth	Weight	Part #	Price
